Tuition Assistance 2022-2023

We understand that tuition can be a burden on a family's finances. At Seacoast Christian School we want to help in any way we can to make sure your child(ren) can attend here.

Here are the steps for applying for tuition assistance:

- We use a third-party company, FACTS, to process all financial aid applications. They require a \$30 fee to apply.
- Please apply as soon as possible. Applications can be submitted in February, and we ask that all applications be completed by April 30. For families receiving this packet after April 30, please apply ASAP
- Apply at <https://online.factsmgt.com/signin/4FVG9>
- Once the application has been completed and all required documents submitted, Jenny Cardinal (School Treasurer) will contact you to set up a phone call to clarify information and ask some additional questions.
- The Tuition Assistance Committee will respond to you within two weeks.
- You may simply accept any assistance offered, or you can ask for further review.
- Once you are ready to enroll, Carol Corbett (Bookkeeper) will contact you regarding your payment plan.

PLEASE NOTE: NH residents applying for tuition assistance will be required to apply for the NH Education Freedom Account before being considered for tuition assistance from SCS. The website is <https://nh.scholarshipfund.org/apply/nh-education-freedom-accounts/>

Tuition Assistance is supported by limited funds, and we are budgeting fewer dollars next year than we did this year. We thank each parent who submitted their FACTS application promptly last year, and we encourage you to do the same this year. We trust the LORD to provide in all things. Please help us be good stewards of that which He has provided by submitting your FACTS application promptly.

Finally, we ask that you also present your financial need to your local church, even if you've not done so before. God's model for care within the Body of Christ is reflected clearly and beautifully in Proverbs 28:27, I John 3:17-18, Acts 2:45, and James 1:27 & 2:15-17.

Please allow the Lord to help you in the ways He has designed, which include seeking help from your local assembly. It may seem scary at first, but you aren't meant to carry the burden alone.

If you have any questions or problems regarding this process, please contact Treasurer Jenny Cardinal at jcardinal@seacoastchristian.org or 207-752-7183.
